Water Wanted -- REWARD

A valuable reward is offered to all residents who save the life of a tree planted near their home. A few gallons of water regularly during dry spells is enough to save newly-planted trees from a premature, dusty end. The reward is the inestimable pleasure of a tree near your home, and a village which will in a few years' time be transformed.

Bar Hill School: May Day Fete

Many, many thanks from pupils, staff and parents, to all who helped to make the May Day Fete a resounding success. The list of workers, sponsors and participants would require a newsletter to itself, but on behalf of the PTA I would like to express heartfelt thanks to all. Not only did the event raise more than £250 for the School, but it also provided (by all accounts) a most enjoyable afternoon. - Kevin Devine

Meeting of Bar Hill Youth Workers

Over the past few months those working with groups of young people in Bar Hill - Scouts, Brownies, Youth Club, etc. - have been meeting to discuss common interests and problems. From these meetings it is hoped that a joint leadership training course, based on Bar Hill, will be launched in the autumn. Our main concerns recently have been: (a) Play Space Each youth group has been asked to write to the Parish Council to deplore the fact that yet another summer is upon us and the Village Green does not yet appear to be ready. Children who complain that they are turned away from "play areas" by adults who dislike ball games in proximity to their gardens are growing in number. (b) Holiday Provision It is hoped to work out a Holiday Play Scheme in conjunction with the Community Service Project at Swavesey Village College for next summer.

*****This summer the Cubs, Scouts and the leaders of the Wednesday and Thursday Clubs have come up with some good ideas for special events throughout the summer, including a Go Kart Race; BUT we need HELP to organise, before and on the day. We have the ideas and some of the skills: are you prepared to help? Offers to Gerry Craske, 34 Partridge Drive, or Ron Meadows, 8 Almond Grove.

Again if parents can help to run it, the Church Centre can operate as a Coffee Bar on a Wednesday morning and one week-night evening throughout the summer. Offers of help to: K. McIlhagga, 19 Acorn Avenue.

Those wanting to make summer skirts, etc. bring patterns and material on June 3rd and 10th: sewing machines will be available . . . Anyone interested in DRAMA? - we hope to start a group soon.

A Round Walk

After a successful "sponsored walk" last year, Bar Hill Church is again organising "A Round Walk" on Sunday, 16th June. We start at Bar Hill Church Centre at 2 p.m. prompt (please arrive at 1.45 if you can). This year we walk as a party; and in "pilgrimage" fashion will make three stops: at Boxworth and Knapwell Churches, and at Childerley Hall. We expect to reach Childerley at about 5 p.m., where the Hall and grounds are open to the public (until 7) and where tea is being served. The stopping places are also "pick-up" places for any who would like a lift home in a car.

The total walk is 10 miles and money raised through "sponsorship" will go to paying off the capital debt on Bar Hill Church Centre. Most of the walk is along public footpaths and bridleways, and will help to keep open the beautiful country walks in our area.

Further details, and sponsorship forms, can be obtained from 19 Acorn Avenue and 40 Partridge Drive. Come and join us!

Newsletter Our thanks to those residents who answered our appeal in the last Newsletter for new members. At our last Residents Association committee meeting it was decided to experiment with an advertising supplement to the Newsletter for a trial period. So watch this space, folks!

Summer Fete My apologies for the date given in last month's Newsletter: whoever heard of a Fete on a Wednesday! However, plans are now in hand for a Summer Fete and Flower Show on Saturday, 20th July.

Communal Aerial We have received a report from the Resident Engineer who maintains the communal aerial system that he is in dispute with the Developers over payment due to him for work carried out. As this particular dispute has gone on for some time, the Engineer has intimated that routine service work and emergencies would not be attended to until payment for work already carried out is received.

The committee are very concerned about this state of affairs and we shall be writing to the Developers on behalf of the parties concerned to see if the situation can be resolved as soon as possible.

Parish Council Meeting, 21st May

The following points arose:

- 1) The Council is asking the Developers to clarify what contribution they are making towards the provision of a Village Hall, before approaching the District Council for financial assistance.
- 2) The Contractors are being asked to re-do the Cricket Square before the Council releases the balance of the money for the work on the Village Green. Firms are being asked to tender for the regular cutting of the Green.
- 3) Rodney Dale has been re-appointed as Bar Hill Representative on the governing body of Swavesey Village College.
- 4) Following a complaint from a resident, the Council is to investigate ways of making the slide in the Village Park safer.
- 5) The Department of the Environment has confirmed that the flyover is to be started this year, but in the meantime the Parish Council is pressing for short-term improvements to the A604 junction to be carried out without delay.
- 6) Following the recent meeting held to discuss the future of Swavesey Village College, a further meeting will be held shortly at which the Warden and others concerned will answer the points raised.
- 7) The Parish Council is urging speedy delivery of playground equipment to be sited on the Village Green.
- 8) It was reported that the District Council was considering buying houses in Phase 3 of Bar Hill. The Parish Council expressed support for this idea.
- 9) The Clerk to the Parish Council has unfortunately had to resign, and a replacement is being sought. Advertisements are appearing in the Cambridge Evening News this week. A salary of not less than £100 a year for arranging Parish Council meetings, keeping minutes and dealing with correspondence. Further details from Rodney Dale, 16 Almond Grove.
